Summary

Mohammad is a manager and a young leader who founded Rayan
Tablighate Mahoor 6 years ago. This company provides advertising
and branding solutions services .After 2 years the business
expanded to include digital print-shop services.

Additionally Mohammad has extensive experience in graphic
and web design as IT manager at Deybeazar cultural and
artistic Institute. Some of his projects have been highlighted by
"President Rouhani Travel to Bushehr", "General Directorate of
Culture and Islamic Guidance Festivals", "General Governor of
Bushehr advertising solutions" and "FAJR national poem festival","
International Persian Gulf Festival" .

In 2014 he was selected as the Premier Young in Bushehr Province
due to his economic activities.

Alongside business world, he has studied "Computer engineering",
"Information Technology" and other related courses, and has been
awarded the Bushehr Province Top Researcher in The Field of
Information Technology.

Recently Mohammad embarked on a new venture and is focusing
his work on Information Technology projects, where he co-founded
Narenji Creative Ideas co. He and his team launched some
experimental projects and they are currently focusing on a new idea,
named OFFmarket. OFFmarket selected in Bridge Entrepreneurship
Festival as one of top idea and invited to iBRIDGE Berlin Conference
(a three-day event to be held on June 4-6, 2015 in Berlin, Germany).
OFFmarket is a plat form that help to reduce food wastage and save
the environment.
